

FrogWatch USA™

FrogWatch USA Training Session

Saturday April 6 at 10:00am

Discovery Center at the Dakota Zoo

FrogWatch USA is the AZA's citizen science program and provides individuals, groups, and families opportunities to learn about wetlands in their communities by reporting on the calls of local frogs and toads.

Come learn about Frogwatch USA and how to identify the calls of the frogs and toads in this area. Be a part of collecting data on these important animals!

Sponsored by Dakota Zoo Conservation fund and the University of Mary Biology Program
